- Good Communication

EDUCATION

BACHELOR OF TECHNOLOGY

Deccan College of Engineering and
Technology
2021- 2025

SECONDARY SCHOOL

MS Junior College
2019 - 2021

PROFILE

A dedicated third-year Computer Science student with a good foundation in programming and web development. Proficient in the MERN stack and passionate about applying classroom knowledge to real-world projects. Successfully completed coursework and personal projects involving responsive web design and API development. Eager to gain hands-on experience through an internship where I can contribute my technical skills and enthusiasm for learning to a dynamic team. Looking forward to applying my problem-solving abilities and growing as a software developer

EXPERIENCE

WEB DEVELOPER

Dcrypt

2024

- Open-Source Developer
- Built the logic for a streamlined platform
- Backend developer
